Description

GOLDEN WAX S41 is a vegetable candle wax based upon sustainably sourced soybean oil, with a lower melting point which allow lasting fragrance retention & clean burning behaviour. Golden Wax S41 is a user-friendly container wax, offering a smooth & opaque candle finish with a great fragrance throw and suitable both as part of a customer's own recipe and/or as a stand-alone material.

Shelf life

Recommended storage time is minimum 12 months from production date when stored in unopened

INCI: Hydrogenated Soybean wax original container

CAS number: 68334-28-1

according to recommended storage conditions.

Application

Candle manufacturing

Specification
